Verse

Come away my beloved to a place that is blessed
Where your soul can find refuge and your spirit find rest
Leave your burden behind you and enter my peace
Take my yoke it is easy you will find sweet release

Chorus

Come away, come away
My beloved, come away
Come away, come away
My beloved, come away

Verse

Are you thirsty and tired, so weary and worn
Is your heart heavy laden
Is your mind tossed and torn
Streams of mercy are waiting your hope to renew
Come and drink from the fountain
I am waiting for you

Repeat Chorus

Verse

I am alpha, omega, beginning and end
The god of the ages, redeemer and friend
I am all you desire and all that you need
I fulfill every promise, I am faithful indeed

Repeat Chorus
