Chorus:
Created in the image of God our father
Made into the likeness of Christ our King
Empowered by the presence of His Holy Spirit
To you our redeemer alone we now sing
To you our redeemer we sing

Repeat chorus

Fearfully, wonderfully, made in Your image
Lovingly, carefully, placed into being
Born to embrace the joy of Your presence
Born to give praise so to You, Lord we sing

Repeat chorus

Patiently, steadfastly guided by your love
Continually, constantly changed by your grace
Born, yes transformed by your loving compassion
Our hearts overflow with thanksgiving and praise

Repeat chorus twice

To you our redeemer alone we now sing
To you our redeemer we sing
To you our redeemer alone we now sing
To you our redeemer we sing
To you our redeemer we sing
