

## DANCIN' IN THE PALM OF YOUR HAND

Words & music by Geoff Thurman, Marty McCall & Vickie McCall

Flyin' out the door  
Like a bird from a cage  
Feel the storm blow strong across my face  
Music fills my head  
Like a thundering band  
Turning like a whirlwind, fast as I can  
Turnin' loose, losin' control  
Letting Your love take over me

(Chorus)

Dancin' in the palm of Your hand  
What a freedom (what a freedom)  
Dancin' in the palm of Your hand  
What a feelin' (what a feelin')  
Dancin' in the palm  
Dancin' in the palm of Your hand

In everything I do  
I do the best that I can  
Putting all the rest into Your hands  
Loosening my grip I feel the release  
Faith is like a free fall  
Catch me, please  
Turnin' loose, losin' control  
Letting Your love take over me

(Repeat chorus)
