

## Didn't It Rain

### Chorus

Tell me, didn't it rain, rain, rain children  
Rain all the time, didn't it (yes)  
Didn't it (you know it did)  
Didn't it oh, my Lord, didn't it rain

### Repeat Chorus

### Verse 1

Well stop still, listen to me, God walked down by the briney sea  
He beheld the evil of sinful man, Declared that He would destroy the land  
Well he spoke to Noah, Noah stopped, He said, "Listen here Noah, build an ark,  
I want you to build it big and strong, Build it three hundred cubits long.  
Thirty high and fifty wide, I want it to stand by the rain and tide."

### Repeat Chorus

### Verse 2

Well after God told him what to do, Brother Noah began to cut and hue  
Well the ring of the hammer was judgment, The ring of the saw cried, "Sinner  
repent."  
Well a hundred years he hammered and sawed, Building the ark by the grace of  
God  
Now after the foundation was laid, Hued the timber, ark was made  
Well he called in the animals two by two, There was the ox, the camel and the  
kangaroo  
Well he called in Japeth, Sham and Ham, And God began to flood the land  
Well he raised up his hands to the heavens on high  
Knocked the sun and moon from the sky  
Shook the mountains, stirred the sea, Hitched the wind to his chariot wheel  
Well he stood on land, stepped on board, And cried that time would be no more

### Bridge

Well I know it rained, you know it rained  
Hard rain, cold rain, rained all day  
Rained all night, there was not land nowhere in sight  
Well rain, rain, rain, rain, rain, rain,  
Rain, rain, rain, rain, rain, rain,  
Rain, rain go away, come again some other day

### Repeat chorus

Didn't it rain!
