(Verse 1)

Although Abaraham could not understand how God in His great love

Could ask him for the only son he had.

Yet when it seemed to him all hope was dim his faith this promise sang

God will provide Himself the lamb.

(Chorus)

God will provide Himself the lamb

The only sacrifice that sin demands

Just as He proved to Abraham He would provide Himself a lamb

Behold the lamb, God Himself the lamb.

(Verse 2)

Then this promise rang unto Bethlehem as God reached down to man

And gave to us the only son He had

Then when His time had come with His precious blood he sealed redemption's plan

God provided Himself the lamb.
