

Good Things Happen On Holy Ground

Verse 1

The spirit is willing but the flesh is weak
You tumble and stumble as we reach toward the peak
Communion with the father is all you seek
Give him your hand and move your feet

Chorus

Good things happen on holy ground
Bathed in blessings when God reaches down
So take your shoes off and walk around
Good things happen on holy ground
Good things happen on holy ground

Verse 2

When a sinless God met a sinful man
He paid the price with a perfect lamb
Now they walk together hand in hand
On holy ground in the promise land

Repeat Chorus

Bridge

Holy, holy, holy, lord god almighty,
Holy, holy, he walks with me

Repeat Chorus
