

HE WAS, HE IS, HE IS TO COME

Words & Music by Joel Lindsey, Joyce McCollough, Harrie McCollough

Verse 1:

My human mind can't understand, but long before the world began
In regions yet unknown to man, He was, God was
And it is still a mystery but I can say with certainty
Deep inside the heart of me He is, God is
And although He's been all things to everyone
There is so much more to come, He is to come

Chorus:

He Was, He is, He is to come
Worthy is the Lamb who sits upon the throne
So let us praise The Ancient of Days
Who was and is and is to come

Verse 2:

Kingdoms made by man will rise but it should come as no surprise
When right before our very eyes they fall, they fall
And even time itself will end and Christ will come to earth again
And every tribe and race of men will bow, we will bow
And with the finished work of Christendom
We'll see His kingdom come, His kingdom come

Chorus:

He Was, He is, He is to come
Worthy is the Lamb who sits upon the throne
So let us praise The Ancient of Days
Who was and is and is to come

Bridge:

Worthy is the lamb that was slain to receive power and riches
And wisdom and strength, and honor and glory, honor and glory and praise

Chorus:

He Was, He is, He is to come
Worthy is the Lamb who sits upon the throne
So let us praise The Ancient of Days
Who was and is and is to come
