

Holy Ghost Revival

Joel Hemphill
Family & Friends Music / Hemphill Music Company

The church has learned to make things happen on the natural side
All our buildings and our programs have not turned the tide
This is warfare and our weapons, faith the Word and love
Need a fresh anointing from above

Chorus
We need an old fashioned
Heaven-sent Holy Ghost revival
Touching me, touching you
We need a sin-erasing
Restoration Holy Ghost revival
Send it Lord, our souls renew

If we want the power God has promised at the last
We won't find it stirring in the ashes of the past
There's a new day a dawning, pray and lift up holy hands
Revival fires will sweep across the land

Repeat chorus

We need an old-fashioned, heaven-sent
Dedicating, celebrating Holy Ghost revival
Touching me, touching you
We need a sin-erasing
Restoration Holy Ghost revival
Send it Lord, our souls renew

We need an old-fashioned, heaven-sent
Devil-chasing, dedicating Holy Ghost revival
Touching me, touching you
We need a sin-erasing
Restoration Holy Ghost revival
Send it Lord, our souls renew

Send it Lord, our souls renew
