

I Am Redeemed

Verse 1

I was a slave in a foreign land
So very far from the Father's loving hand
He rescued me one glorious day
He brought me out
Paid a debt I could not pay

Chorus 1

I am redeemed I am redeemed
Jesus loosed the chains of sin
And set me free
I am redeemed I am redeemed
Jesus loosed the chains of sin
And set me free

Verse 2

Still I live in a foreign land
But now I'm free
According to redemption's plan
Soon I'll join the robed in white the redeemed
We'll sing a song holy angels cannot sing

Repeat chorus

Recitation

Some glorious morning they will come from all nations and every generation
Side by side they will march into the celestial city of Jehovah
And in perfect harmony they will begin humming a new song
A song composed by God and arranged for his children
As the saved by grace approach the land of their dreams
The host of Heaven will step aside
Even the angels will be silent for they cannot sing this new song
It's a song reserved for those voices who once cried out for their redeemer
Those washed in the blood of the lamb, yes these are the redeemed

Chorus 2

I am redeemed by love divine
Glory glory Christ is mine, He's mine
All to Him I now resign
Jesus loosed the chains of sin
And set me free

Jesus loosed the chains of sin
And set me free
