

Live To Tell

Teresa Moshell, Amy Susan Foster, Dwight Liles
Centergy Music (BMI) / A Little Good News (ASCAP)

Step by step, day by day
Where He leads I'll walk by faith
Trusting in the Savior
Set my feet on steady ground

Joy by joy, tear by tear
Come what may I will not fear
Walking in the spirit
Building up this hope I have found

Chorus

I wanna live to tell
Walk to witness
That I have met the risen lord
Love has come love is Jesus
He died that I might live
Live to tell

Heart by heart, soul by soul
I will share the grace I know
Loving those I'm led to
By the hand of Christ my lord
Scar by scar, need by need
Weeping with the ones who weep
Offering the comfort
Of the gospel I have heard

Chorus

I wanna live to tell
Walk to witness
That I have met the risen lord
Love has come love is Jesus
He died that I might live
Live to tell
