

Look For Me

Verse

When you finally make your entrance to that city
Of jasper walls and bright golden avenues
As you behold all its beauty and its splendor
Remember there's just one request I make of you

Chorus

Look for me for I will be there too
I realize when you arrive there will be so much to view
After you've been there ten thousand years
A million, maybe two
Look for me, for I will be there too

Verse

As you go down your list of firsts there's no question
We're gonna have to see our loved ones, me and you
And when you feel you've shared your story with the last one
Who wants to hear just how you made it through

Chorus

Look for me for I will be there too
I realize when you arrive there will be so much to view
After you've been there ten thousand years
A million, maybe two
Look for me for I will be there too

Look for me for I will be there too
I will be there too
