

LOVE NEVER LOOKED LIKE THIS

Words & music by Geoff Thurman, Michael Puryear & Dave Clark

I have stood beside the bedside of a tiny baby
And thought I understood what love must be
And I've been blessed to have the kind of friends
Who were always there in any time of need
I thought I'd seen the face of love
Time and time again
Until I saw the heart of One
Who loved me through my sin

(Chorus)

Oh, love never looked like this, Love never looked like this
It was deeper and wider than I could ever realize
When I opened up my heart to Him, He opened up my eyes
And to my surprise love never looked like this

When I dared to take the Saviour at His priceless promise
He helped me understand what true love means
And every day I'm learning so much more
All about who Christ would have me be
With a love that truly reaches out
And comes from deep within
Even when my flesh feels weak
I find my strength in Him

(Repeat Chorus)
