Verse 1:

As the evening sun set o're Jerusalem
Satan's forces celebrated victory
But their laughter turned to fear
Their celebration turned to fright
After what Satan saw in the morning light

Chorus 1:

He saw angels robed in white
The stone rolled away
And the grave clothes neatly folded
In the place where Jesus lay
They Satan knew it was all over
He had lost the fight
After what he saw in the morning light

Verse 2:

Her eyes were swollen from all the tears she'd cried
And she wondered if her broken heart would ever mend
But as she looked into the tomb
Her hope came into sight
After what Mary saw in the morning light

Chorus 2:

She saw angels robed in white
The stone rolled away
And the grave clothes neatly folded
In the place where Jesus lay
They Mary knew it was all over
Everything would be all right
When she saw that empty tomb in the morning light

And some day it will be all over
Everything will be all right
Oh, it'll be all right
Hear a shout ringing out
See graves burst open wide
See Jesus face to face
In the morning light, morning light
