

Solid Rock

Verse 1

Centuries have come and gone
And legends told are proven wrong
Through all of time there's been but one
The Son of God could not be overcome

Chorus

He is the solid rock of all the ages
The hope of every generation
Pouring out His love through history
He is the solid rock of all the ages
He's the only sure foundation
He's the rock for all eternity

Verse 2

Through the seed of Abraham
Jehovah kept his sovereign plan
In Jesus death my life began
And only on his righteousness I stand

Repeat Chorus

Bridge

Anchored to the Rock
Whose strength will never be defined
Through every battle
We will stand in Jesus Christ

Repeat Chorus
