VERSE 1:

Today I found myself in a most unusual place
All at once I was standing face to face
With someone that I knew so well yet I had never seen
I was standing in the presence of The King.

CHORUS:

Standing in the presence of The King
The world just slips away beneath my feet;
Mortal man could never write the song that my heart sings
When I'm standing in the presence of The King.

VERSE 2:

Through His gates with thanksgiving into His courts with praise
With a joyous heart I begin to bless His name.
For at last I am standing where He said that I would be,
I am standing in the presence of The King.

CHORUS:

Standing in the presence of The King
The world just slips away beneath my feet;
Mortal man could never write the song that my heart sings
When I'm standing in the presence of The King.

Standing in the presence of The King
The world just slips away beneath my feet;
Mortal man could never write the song that my heart sings
When I'm standing in the presence of The King, in the presence of The King.
