

# Stop and Smell the Roses

Mac Davis, Carl Severinsen

## Verse 1

Hey Mister, where you going in such a hurry  
Don't you think it's time you realized  
There's a whole lot more to life than work and worry  
Cause the sweetest things in life are free  
And they're right before your eyes

## Chorus

You've got to stop and smell the roses  
You've got to count your many blessings everyday  
You're gonna find your way to heaven is a rough and rocky road  
If you don't stop and smell the roses along the way

## Verse 2

Before you went to work this morning in the city  
Did you spent some time with your family  
Did you kiss your wife and tell her that she's pretty  
Did you take your children to your breast and love 'em tenderly

## Repeat chorus

## Verse 3

Did you ever take a walk through the forest  
Stop and dream a while among the trees  
You can look up through the leaves right straight to heaven  
You can almost hear the voice of God in each any every breeze

## Repeat chorus twice

If you don't stop and smell the roses along the way, every day
