

Tell The Storm

Verse 1

I've spent a lot of time down on my knees
Telling God about the many storms that trouble me
I've told Him how the wind has tossed my boat
And how the raging waves have made it hard to stay afloat
I've told him all about my storms it's true

Chorus

But I'm gonna tell the storm that my God is in control
He's more mighty than it's billows, stronger than the winds that blow
There's no power in the storm for all power is His
So I'm gonna tell the storm how big my God is

Verse 2

I know sometimes I'm guilty to complain
Whenever I hear thunder, see the lightning, feel the rain
But why should I give glory to the storm
In every situation God has kept me safe from harm
He is faithful each and every day

Repeat Chorus
