

Temporary Home

Verse 1

Sometime I feel like I'm just walking around
With my head up in the clouds
I'm steady-moving but I'm not gaining ground
Headed the wrong way in a crowd
Then I remember I'm not part of this world
I'm moving higher each day
Upward mobility sounds mighty good to me
I just can't wait to get away

Chorus

I've got to remember I'm not here to stay
I'm looking forward to a brighter day
Got to remember I'm not here for long
I'm just living in my temporary home

Verse 2

If you are bothered by the problems of life
Don't you let them get you down
Just look to Jesus, you will not be denied
He'll lift you up to higher ground
Don't you forget that you're a child of the King,
That you're an heir to His throne
You may not know just when He's coming back again
To take you to our happy home

Repeat chorus twice

I'm just living in my temporary home
