

Things Over My Head

Verse 1

Creation pays attention beneath His majesty
At His word the universe obeys
He is far above all power and principalities
The gates of hell cannot prevail against the Kingdom He has raised

Chorus

Things over my head are under His feet
Things I can't begin He can complete
There's a mountain ahead I can't climb
It's too much for me but I realize
Things over my head are under His feet

Verse 2

When I just don't understand it, it makes no sense at all
I'm standing in the shadows all alone
When it all seems to surround me, I'm still standing tall
By a supernatural power from an Everlasting Throne

Chorus

Things over my head are under His feet
Things I can't begin He can complete
There's a mountain ahead I can't climb
It's too much for me but I realize
Things over my head are under His feet

Chorus

Things over my head are under His feet
Things I can't begin He can complete
There's a mountain ahead I can't climb
It's too much for me but I realize
Things over my head are under His feet

Things over my head are under His feet
Things over my head are under His feet
