

## WHEN YOU WALK THROUGH THE WATER

Words & music by David Baroni & Allison Durham Speer

Lord, I want to be led by Your Spirit  
Sometimes I feel so afraid  
There are times when this river  
Seems to flow against me  
And it makes it hard to not be swept away  
Even when I feel I'm strong  
You know I'm weak and frail  
Then You gently remind me  
That Your faithfulness to me will never fail  
You say...

(Chorus)

When you walk through the water  
I will be with you  
And the river will not overflow you  
Though you walk through deep water  
I will be with you  
Through the flame or flood you won't be burned or drowned  
I am the God who lifts you up  
And I'll never let you down

Oh Lord, you are a shield for me  
You're the glory, and the lifter of my head  
When I'm facing fear or doubt  
From within or from without  
I'm reminded of the hand by which I am led  
You said...
