

Why Not

Suzanne Jennings and Michael Sykes
Townsend & Warbucks Music / Mal n' Al Music

Verse

People always ask me why I put my faith in god
And why I risk my life for such a thing
But I treat all their why's with one resounding big why not
Cause I know what believing and receiving his love means

Chorus

Why not take a chance right now and put it on the line
Why not give it all to him and watch it multiply
Why not step on out on faith and give it all you've got
In a world that asks you why o why I'm askin' you why not

Verse

All you've got to lose is just some pride at your control
And your hearts situation will improve
All you've got to do is take your hands off your own soul
Just have a little faith sit back and watch that mountain move

Chorus

Why not take a chance right now and put it on the line
Why not give it all to him and watch it multiply
Why not step on out on faith and give it all you've got
In a world that asks you why o why I'm askin' you why not

Why not take the chance right now and put it on the line
Why not give it all to him and hath it multiply
Why not step on out on faith and give it all you've got
In a world that asks you why o why I'm askin' you why not

In a world that asks you why o why I'm askin' you why not
Why not, why not
